Caleb: But how does she fuck?
me: probably with many quirks
Caleb: Where's she from?
me: no idea
Caleb: You didn't axe her where she's from?
me: we've been talking business mostly, going to meet with her at greater length in a couple of days
me: for the record

me: I really want to exploit her talent
Caleb: Yo, do she need a job?

me: Yo, you seen Josh?

Caleb: What's with all these questions, Barrett?

Caleb: You sound ridikilous.
Caleb: But, for reals though.
Caleb: When are you gonna fuck her?
me: as soon as I no longer require her talents to pull my ass out of the frying pan
